A STORY FROM OUR COMMUNITY

She just needed a little time.

Maria didn't plan to need help.

She had a job, a small apartment, and two kids she was fiercely proud of. Then her hours were cut — not eliminated, just cut — and suddenly the math didn't work anymore.

Rent was due. The utility shutoff notice arrived on a Tuesday. By Thursday, she was standing in our lobby — a little ashamed she was there at all. She didn't need to be.

"I didn't know places like this existed," she told us. "I thought I'd have to figure it out alone."

— Maria, HNS client

Within the same week, our team helped her stay current on her utility bill, connected her to emergency food assistance, and connected her with a financial class with a partner agency, who helped her build a 90-day plan. Over the following year, she steadied. The crisis that had felt unsurvivable slowly became a chapter instead of a conclusion.

When she was ready, she came back — this time to give. Today, Maria volunteers with us, helping neighbors who are standing exactly where she once stood.

65 YEARS OF ROOTING PEOPLE IN COMMUNITY

For 65 years, stories like Maria's are why we show up — and why this work matters. **As we celebrate this milestone, we invite you to be part of what comes next.** Your sponsorship through our 65th Anniversary Gala ensures that the next neighbor who walks through our doors doesn't have to figure it out alone.

Founded in 1961 by 13 local churches, HNS has always believed that loving your neighbor isn't just a principle — it's a practice.

65 YEARS OF HELP, RESOURCES, AND HOPE

This is what 65 years looks like.

What began among 13 Loveland churches — a shared conviction that communities are called to care for their most vulnerable neighbors — has grown into 65 years of help, resources, and hope. House of Neighborly Service has been a trusted part of this community since 1961 — providing practical help and genuine hope to neighbors facing financial hardship. Behind every number below is a family that didn't have to figure it out alone.

We were founded on a simple truth: we are called to love our neighbors as ourselves. Sixty-five years later, that calling still gets us up every morning.
